

Tupper Arts recipients of Stewarts Holiday Match grant for third year

March, 2023

TUPPER LAKE, NY: Tupper Arts is pleased to announce that they are once again the recipients of a \$500 grant from the Stewart's Holiday Match Grant program for the third year in a row. As with previous years, Tupper Arts will be putting the money towards providing a wide range of classes for children and teens in the Tupper Lake community.

Since the program's creation in 1986, the Stewart's Holiday Match Program has contributed over \$36 million to organizations directly involved with making a positive impact in their respective communities. Stewart's wishes to credit their customers, shop partners, and media partners for donating, collecting, and spreading the word about this invaluable program. To read more about Stewart's Holiday Match Program, visit stewartshops.com/community-giving.

Tupper Arts is proud to partner with local artists and creatives to supply creative opportunities to children and teens at no cost. Through the winter, the arts center has had a consistent group of students join them every week for STEAM classes, beading classes, Dungeons and Dragons, high-school painting classes, active Inamojo classes, and, more recently, story-telling workshops.

Tupper Arts is thrilled to continue providing access to the arts for the next generation of creatives. Please visit tupperarts.org for more information on their latest and upcoming classes and events.
